

Pernanence in Style. Endless Ideas.

Please know that your group is welcome to have a Luncheon within our **Bistro**, if your attendance is under the maximum of 50 persons. We have two seating times for groups; 11:00am or 2:00pm. Our Bistro is small and sustained by a small, one person grill, open to viewing by our patrons. With this said, please understand we cannot allow meeting or parties. Keep in mind that all of our fare is made-from-scratch and may be a bit timelier in preparation, but well worth the wait!

The need to limit large parties in the Bistro is to assure superb service for all of Sandstone's visitors.

The limitation will enable our management to staff appropriately, to assure ample service.

This will make your lunch successful and ensure our daily walk-ins feeling welcome as well.

Please appreciate that we strive towards the highest level of training with all of our staff, in every area of our business.

In respect, know that parties of 8 persons and more will have an added 18% gratuity and no split tickets.

Our staff will need as much time as possible to assure superior service for **all**.
